

Adaptation of the Date Format in Different Languages

The section [DateTime] is included in the MMC.ini

GR=1|1|1|.:|||dd.MM.yyyy|dddd', 'd'. 'MMMM' 'yyyy

UK=1|1|1|/|:|||dd/MM/yyyy|dd MMMM yyyy

Explanation for the German language:

|.|:| are the separators under "Set PLC Date and Time of Day" - New:

The first character / separator defines the date and the second character / separator defines the time of day

19.10.2005 11:50:00

|dddd', 'd'. 'MMMM' 'yyyy

Weekday , Day . Month Year

|dd.MM.yyyy|
