

Confirmation

-- We confirm that the rail-mounted devices manufactured by our company

Order no.: 5TT5..., 5TT3..., 7LS1... and 7LQ1...

meet to the best of our knowledge the specifications of the Forbidden Chemicals Order and of the CFC-Halon ban (currently valid version).

For the plastic housing parts of the aforementioned devices, the following also applies:

- PVC-free

We wish to expressly point out that the products manufactured by us are designed in accordance with the stringent internal directives for Design of Environmentally Compatible Products (SN 36350).
